

Mining Matters

Contact us: Donna Fisher, Company Liaison Officer 0800 WAIHIGOLD (0800 924 444) waihigold.co.nz

We have now started stope blasting in our new Martha Underground.

While you might notice vibrations ramp up over the next six months, we are committed to ensuring they remain in-line with our consent conditions. Blast details are available daily at www.waihigold.co.nz or contact us on 0800 924 444 if you would like to be notified by text or email.

OceanaGold proudly partnered with GO Waihi as the major sponsor for the Beach Hop Warm Up Party in Waihi. Our General Manager Matt Hine presented the 'Miner's Choice' trophy, while Shay Perkinson and Troy Hargreaves from our Mines Rescue Team took the opportunity to raise funds for the upcoming Sky City Stair Challenge taking place in Auckland in May.

OceanaGold would like to thank all participants who attended our recent Urban Landscape workshops. We've had a huge response from the community, are compiling your input, and where possible will adopt it into the final design.

The process of engaging with the greater Waihi community around the urban landscape, and other aspects of Project Quattro, is ongoing and any feedback is very much appreciated.
