

ECHO Walking Festival - A walk through Martha Mine Pit Fence

This year's walk inside the Martha mine pit fence saw a fantastic turnout, with some attendees coming from as far afield as Raglan, Hamilton, and Mangakino to make the trip. All available spots were booked, despite having to initially reschedule the date thanks to some uncooperative Waihi weather.

Our thanks go to Sport 'n Action Waihi and everyone at the ECHO Walking Festival for making this year's event such a success, our staff who guided participants and fielded questions, and the members of the public who took the time to come out and say hello.

Correnso & Project Martha Community Meeting

Our next Correnso and Project Martha Community Meeting will be held on Thursday the 19th of May from 5:30 to 7:30pm. This meeting is designed to provide an update to affected residents within the Correnso and Project Martha (including Rex) mining areas about works undertaken since the previous meeting.

The meeting will be held in the OceanaGold Ed Centre on the corner of Moresby Ave and Savage Rd. In the mean time, if you have any questions please visit or call the Project Information Office.
