## Amenity Effect Programme (AEP) Payments

Calculations for the next round of AEP payments for the period 1 January to 30 June 2022 are now being processed. Letters will be sent out shortly to all enrolled residents advising of the outcome for their property. If your property qualifies and you are not already enrolled in the scheme, we will deliver a form and instructions to enrol if you wish. We will require a copy of the bank account details for the receiving account, which also needs to be stamped and signed by your bank, as we cannot provide cheques. Should you already be enrolled but your bank account details have changed, you will need to bring a verified copy of the changes to the Project Information Office. If you have any queries on the AEP please pop into our Project Information Office at 86 Seddon Street, Monday to Friday 10am – 2pm or call 021 190 1078.

## Information on the Waihi North Project

Now that our application for the proposed Waihi North Project has been accepted as complete by the Hauraki District Council and Waikato Regional Council, the Assessment of Environmental Effects (which contains the full technical reports submitted in support of the application) has been made publicly available, along with fact sheets summarising the key topics at [www.waihinorth.info](http://www.waihinorth.info)

The consent process is expected to take some time. Members of the public are also invited to call in to the company's project office at 86 Seddon Street in Waihi for further info.
