

## Holiday Period Closures and Availability

Welcome to the final edition of Mining Matters for 2022!  
Our Project Information Office at 86 Seddon Street will be closed from Saturday the 24th of December until Tuesday the 3rd of January, opening again from Wednesday the 4th. The January edition of Mining Matters is similarly scheduled for the week beginning the 9th of January.

There will be no blasting of any type on Sundays or public holidays. If the observed day of a public holiday shifts, such as the Christmas Day holiday this year which moves to Tuesday the 27th of December, then blasting could occur on the 27th.

Our Community Engagement line will still be active throughout the holidays for any queries or concerns, so please feel free to get in touch on 0800 924 444.

From everyone here at the OceanaGold Waihi operation, we wish you a safe and happy holidays.

### OceanaGold Beach Hop Warm Up Party

OceanaGold Waihi were once again proud to be the main sponsor of the Beach Hop Warm Up Party in Waihi on Wednesday the 23rd of November.

Despite some ominous-looking clouds in the morning and a wet kick off, the event was still a great success with fantastic turnout on the day.

Our thanks go to Go Waihi for organising the event, the Lions Club of Waihi and Maori Wardens for assisting on the day, the Hauraki Woodturners Club in Waihi for making the bases for our custom trophies, Waihi East and Central Schools for welcoming both the cars and visitors to town, and all the traffic management staff, police, council, Beach Hop, and other support personnel who made sure the event ran so smoothly on the day.
