

Sky Tower Challenge Raises \$2.5M for Blood Cancer NZ

A huge congratulations to everyone in the OceanaGold Waihi Mines Rescue and OceanaGold Macraes Operation Emergency Response Teams for their efforts at the recent Sky Tower Challenge.

More than 1,100 firefighters and emergency responders from across New Zealand took on the Firefighter Sky Tower Challenge in Auckland; climbing 1,103 steps while wearing 25kg of gear to raise vital funds for Blood Cancer NZ.

🏃 Waihi Mines Rescue – 3rd fastest team in the country.

🏆 Waihi – 2nd overall for team fundraising.

🏆 Macraes – 3rd in their category for fundraising.

👏 Shay from Waihi – 3rd highest individual fundraiser.

With 1,150 participants climbing for a cause, the 2026 challenge raised an incredible \$2.5 million for Blood Cancer NZ; supporting Kiwis and whānau impacted by blood cancer.

Also a big shout out to staff who competed for or assisted the local Waihi Volunteer Fire Brigade and Mayor View Volunteer Fire Brigade teams.

This result reflects the dedication of our teams on the tower and the incredible support from our communities, families, and colleagues who got behind the fundraising efforts. We're incredibly proud of you all!

Your commitment to community, teamwork and care continues to make a real difference.

Pit Rim Bench Replacement

Thanks so much to Glenn Rangiuia for rebuilding the recently vandalised bench seat on the Pit Rim Walkway, and to Lloyd McGeachie Construction for supplying the timber for the rebuild.

The seat has now been reinstated and is looking great!

This bench was one of several installed around the Pit Rim as part of a joint project between the Waihi Community Forum and OceanaGold Waihi, following requests from members of the public for more seating in the area.
