

We are supportive of the government's goal to protect the health and safety of all those in our community. During Alert Level 4, both our Moresby Ave. and Seddon St. offices will be closed. For any community enquiries during this time, please email waihi.info@oceanagold.com or call 0800 924 444.

The Proposed Waihi North Project

Our proposed Waihi North Project signifies a long-term commitment to, and investment in, the wider region.

If consented, the project will extend the life of mining in Waihi to 2037, longer than any single previous outlook.

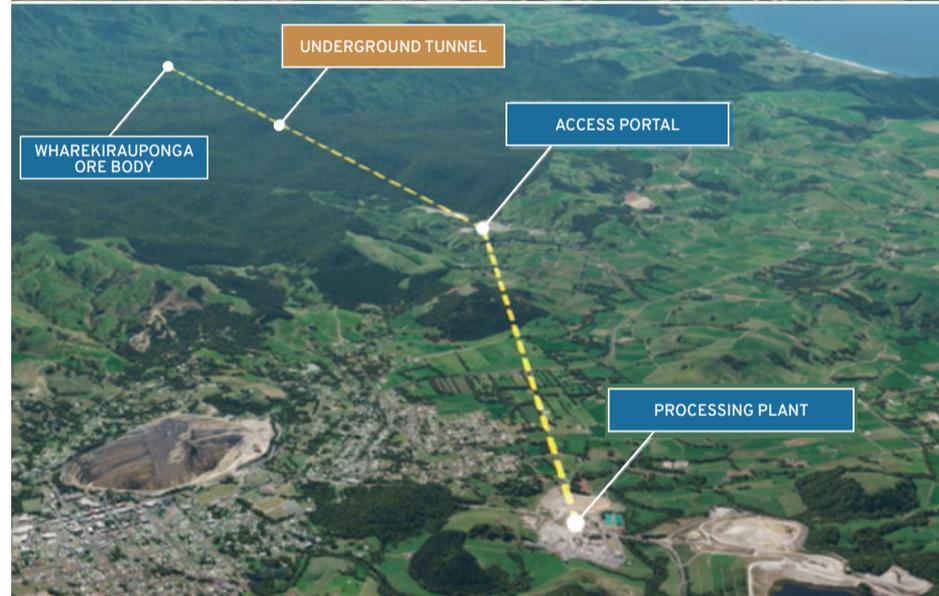

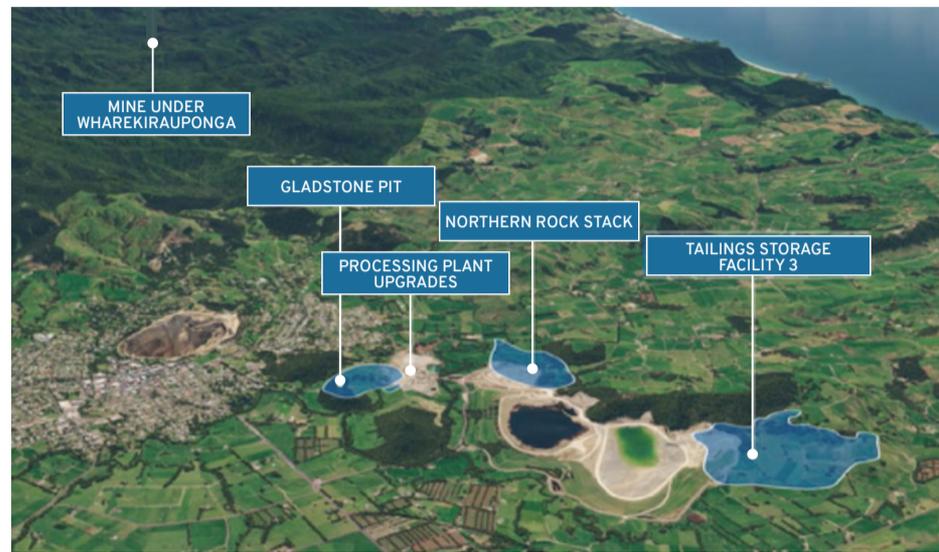

We've released a video that gives an overview of the Waihi North project and its elements.

Visit www.waihinorth.info to learn more and to view the video.

Get Your Runners Ready...

The OceanaGold Trail Trilogy is coming up on Sunday September 12th. This popular local event uses all of the beautiful Hauraki Rail Trail and finishes at the Waihi Train Station. With 9 km, 21 km, 42 km, 55 km and even a 100 km event, everyone can get involved by running or walking, as individuals or in teams.

In 2019 our OceanaGold team won the 'Hauraki Hundee' 100 km event but missed the course record by just 30 seconds! This year we're hoping to smash that record, and also get more of our staff involved across all the different distances.

We're pleased to continue our sponsorship of this local event that showcases the Waihi and Hauraki area and encourages the community to challenge themselves.

Correnso & Project Martha Community Meeting

Our next Correnso and Project Martha Community Meeting will be held on Thursday the 2nd of September at 5.30pm, lock-downs permitting, in the OceanaGold Education Centre at the corner of Moresby Avenue and Savage Road. This meeting is designed to provide an update to affected residents within the

Correnso and Project Martha (including Rex) mining areas about works undertaken since the previous meeting. While this meeting is created specifically for affected residents in these areas, it is also open to any and all members of the public who wish to attend.
