The Project Martha Community Meeting was held on 10 September at the Education Centre after originally being delayed due to COVID-19 restrictions.

Topics covered included Martha dewatering, piezometers, and vibration. An overview of Project Quattro was also provided.

Minutes from the meeting can be found here: <https://www.waihigold.co.nz/wp-content/uploads/2020/09/Project-Martha-Community-Meeting-10-September-2020.pdf>
